## Membership Form

### **Important Information about Membership of Stockport Tigers:**

By completing, signing and returning this form on your child's behalf, you acknowledge that you and your child will be required to comply with the Rules & Policies of Stockport Tigers Fencing Club and that if you fail to comply with these rules that your child's membership may be suspended or cancelled. Copies of our Rules & Policies are available upon request and should also be accessible on our website.

You understand that it is your responsibility to keep the Club updated with all relevant information, including emergency contact and medical details.

You understand that the Club may occasionally use appropriate photographs of your child relating to the promotion and marketing of the Club and its activities, including our Newsletter and Website. Photographs on the website will not identify individual children by name unless we ask you in advance and obtain your consent. Competition results, which are typically in the public domain, may be published on our website from time to time. If you would prefer us to make different arrangements in relation to your child, e.g. no photographs or mention of published competition results, just tell us.

Fencing is only fun when it safe. Our paramount concern is to ensure that everyone associated with the Club has a positive experience, leaving our training sessions smiling and unharmed. However, fencing is a contact sport with inherent risks. We cannot eliminate every possibility of mishap. So that you are aware, Stockport Tigers Fencing Club, its coaches, instructors, Members and volunteer helpers shall not be under any liability for any loss, damage or injury (including death), whether accidental or otherwise, arising during or resulting from participation in fencing activities with the Club or on the Club's behalf. We also strongly recommend that your child becomes a member of British Fencing, which confers a range of benefits. If you are worried about what the risks of fencing might be or all the things that might go wrong, talk to us and/or take out additional insurance.
